

Career-Path Japanese Program

A Practical N3 Curriculum Connecting Language Learning and
Employment

【Why We Created This Program】

At Global Career Connect Japan (GCCJ), we believe your international background, expertise, and diversity are powerful strengths for Japan's future. Our mission is to help your potential be truly recognized and connected to real career opportunities in Japan—through Japanese language growth, career learning, and direct connections with companies.

"The program below is one step toward that future."

【Your Path to Japanese Mastery】

Weekly Live Support – Never Get Stuck

Submit your questions in advance and get clear answers in a **live online session every week**.
If you miss it, you can always watch the **recorded video**.

Flipped Learning with a 90% Pass System

Learn through **videos and e-learning** at your own pace.
Each unit has a **mini test**, and you move forward only after **scoring 90% or higher**.

Job-Focused Japanese Speaking Practice

Practice Japanese with **job-hunting topics twice a week**.
Learn how to **express your ideas and career goals in Japanese**.

Point System & Special Career Training

Earn points through **mini tests and seminar participation**. **Top point earners** get access to:

- Japanese interview training with **company HR**
- **Mock interviews** for real job preparation
